

NU SKIN®

SUNSCREEN SPF 50

MEET NU SKIN SUNSCREEN SPF 50

It's your must-have skin protector. Nu Skin Sunscreen SPF 50 is more than just sun defense. This lightweight formula is powered with Kakadu Plum Extract and SPF 50 PA++++ to shield against UVA/UVB rays, all while hydrating and brightening for a healthy, luminous glow. With its silky, zero-white-cast finish, it melts seamlessly into skin, and thanks to the AquaCushion Blend, it deeply nourishes and locks in hydration. Sunscreen SPF 50 is perfect on its own or as the ultimate base under makeup—for all-day radiance and protection.

With Nu Skin Sunscreen SPF 50, every day is a chance to protect, perfect, and glow with confidence.

Sunscreen SPF 50 is part of the Nu Skin family of products, which includes powerful formulas inspired by India's treasured natural ingredients—for radiant, healthy-looking skin that's simple to achieve and accessible at home.

WHY YOU'LL LOVE IT

- Defends against sun damage with powerful broad-spectrum SPF 50 PA++++ protection to help prevent tanning, sunburn, and skin dullness caused by UVA/UVB exposure.
- Helps enhance glow and brighten skin over time.
- Helps visibly improve skin tone and radiance so skin looks healthy, luminous, and refreshed.
- Hydrates, infusing skin with lightweight moisture.
- Melts in with a dewy, non-greasy, zero-white-cast finish.
- Perfect for daily wear, alone, or under makeup.

WHAT POWERS IT

- **Niacinamide**—helps keep skin looking bright with a youthful glow.

- **Kakadu Plum Extract**—a powerhouse antioxidant rich in Vitamin C that helps protect against sun-induced dullness.
 - **Vitamin E**—helps combat free radicals and environmental stressors.
 - **AquaCushion Blend**—a powerful blend of Shea Butter, Hyaluronic Acid, Squalane, and Glycerin that deeply nourishes, replenishes, and locks in hydration to keep skin soft, smooth, and comfortably moisturised all day.
-

HOW TO USE IT

Apply an ample amount onto fingertips and apply in an upward, outward motion to face and neck, ensuring even coverage for UV protection. Avoid the eye area.

TRY THESE WITH IT

- Nu Skin® Face Wash
 - Nu Skin® Glow Toner
 - Nu Skin® Light Moisturising Cream
 - Nu Skin® Vitamin C Serum

LEARN MORE ABOUT IT

What is unique about Nu Skin Sunscreen SPF 50?

Sunscreen SPF 50 is a lightweight, antioxidant-rich sunscreen with SPF 50 PA++++ that protects against sun damage as it hydrates and brightens. The zero-white-cast formula melts in for a dewy finish, perfect alone or under makeup.

How does Sunscreen SPF 50 fit into the Nu Skin skincare system?

Sunscreen SPF 50 is part of the family of Nu Skin products, which includes a cleanser, a toner, a serum, and a moisturiser. Sunscreen SPF 50 is perfect for use under makeup and should be the last step of your morning Nu Skin skincare routine.

What other products are in the Nu Skin® skincare system?

The Nu Skin skincare system includes Face Wash, Glow Toner, Vitamin C Serum, and Light Moisturiser Cream—each designed to work together with Sunscreen SPF 50 for maximum results.

Who should use Sunscreen SPF 50?

Sunscreen SPF 50 is ideal for anyone who is skin-conscious and wants to protect their skin from UVA/UVB rays while also nourishing skin and promoting a youthful glow.

Can it be used on sensitive skin?

Sunscreen SPF 50 may be suitable for some individuals with sensitive skin given the soothing AquaCushion Blend. Always follow directions carefully and avoid the eye area. If you have more sensitive skin, proceed cautiously and watch for early signs of irritation, discontinue use if irritation occurs.

PRECAUTIONS

For cosmetic use only. Avoid direct contact with eyes. Discontinue use if irritation occurs. Individuals with sensitivities should carefully review ingredient listings prior to use.
