## LEARN MORE ABOUT IT

### **What makes Nu Skin Face Wash unique?**

Unlike many cleansers that can strip the skin, this formula is enriched with Ceramides and Glycerin, which help reinforce the skin's barrier while cleansing. This means it purifies without leaving the skin vulnerable or dry. It's also powered by Niacinamide, known for improving skin clarity—so cleansing also contributes to a brighter, healthier-looking complexion. And finally, the low-foaming formula provides a thorough cleanse without harsh surfactants, making it suitable for all skin types.

### **How does Face Wash fit into the Nu Skin skincare system?**

Face Wash is part of the family of Nu Skin products, which also includes a toner, a serum, a moisturiser, and a sunscreen. Face Wash is the perfect first step in your Nu Skin skincare routine and should be used twice daily for maximum benefits.

### **What other products are in the Nu Skin skincare system?**

The Nu Skin skincare system includes Glow Toner, Vitamin C Serum, Light Moisturiser Cream, and Sunscreen SPF 50—each designed to work together with Face Wash for maximum results.

### **Who should use Face Wash?**

Face Wash is formulated to be suitable for every skin type—so everyone should use it as their first step in their regimen. It's a gentle yet effective cleanser that is ideal for anyone seeking a radiant, healthy-looking complexion.

### **Can it be used on sensitive skin?**

Face Wash may be suitable for individuals with sensitive skin given its low-foaming, gentle formula. Always follow directions carefully and avoid the eye area. If you have more sensitive skin, proceed cautiously and watch for early signs of irritation, discontinue

use if irritation occurs.
