

SERENU™ PROFESSIONAL PH BALANCE TONER

MEET PH BALANCE TONER

Give your skin a moment of calm with pH Balance Toner, an essential step in your skincare ritual that does more than refresh. This lightweight formula delivers a boost of hydration while helping support the skin's moisture barrier, leaving it feeling soft, smooth, and balanced. With daily use, it helps support texture and promotes a healthy-looking glow.

Powered by a blend of thoughtfully selected ingredients, this toner is designed to restore skin to its optimal balance. Niacinamide helps support the skin's barrier, while Witch Hazel helps visibly refine the appearance of pores. At the same time, Aloe Barbadensis Leaf Extract helps comfort and hydrate, creating a pH-balanced foundation for the rest of your routine.

Serenu™ Professional is a personalized skincare system inspired by India's treasured natural ingredients to target specific skin concerns with powerful, results-driven formulas.

LEARN MORE ABOUT IT

What makes Serenu Professional pH Balance Toner unique?

It's a daily toner designed to help bring your skin back to its ideal pH level while delivering a refreshing boost of hydration. This lightweight formula helps soften and smooth the skin's surface, leaving it feeling calm, comfortable, and ready for the next step in your routine.

How does pH Balance Toner fit into the Serenu Professional facial system?

This toner is the second step in the Serenu Professional skincare system, used after cleansing to help rebalance and hydrate the skin. It creates an ideal foundation for other products that follow by helping support absorption and visibly refining the look of pores.

What other products are in the Serenu Professional system?

The Serenu Professional system includes LumiSpa® iO and Cleanser, Clay Mask,

Brightening Toner, Gel Cream, and the Brightening Serum and Galvanic Spa—all designed to complement your routine. With two toner options available, the system allows you to personalize your regimen based on your skin's needs.

Who should use pH Balance Toner and the Serenu Professional system?

Serenu Professional pH Balance Toner and the Serenu system are ideal for those who enjoy the experience of professional-inspired skincare at home. They're great for anyone looking to support their skin's barrier, hydration, and comfort. Whether you visit salons or prefer at-home rituals, it's a thoughtful choice for individuals who value wellness, calming routines, and skincare inspired by India's treasured natural ingredients and modern science.

Which parts of the formula are inspired by India's treasured natural ingredients?

This formula includes ingredients like Aloe Vera and Witch Hazel, which have long been used in India's treasured skincare traditions. These ingredients align with Serenu's inspiration from India's rich heritage of natural beauty rituals and the holistic principles that guide them.

Can it be used on sensitive skin?

Serenu Professional pH Balance Toner is a gentle, hydrating formula with Aloe Vera and Niacinamide which may be suitable for sensitive skin. Use as directed and avoid the eye area.
